What to Bring to the Fair

#1 You need to bring your rabbits #2 You need to bring your own feed, in a good container.

#3 Water at the fairgrounds is city water. A few people bring water from home as to not change things for your rabbits. Most people just use the water at the fairgrounds.

#4 You need to bring a water crock and a food crock for each of your rabbits. #5 You need to bring your grooming/preparation supplies and equipment.

Show Coats

The standard is white lab coat. A long sleeve shirt works just as well as a show coat.

Your Exhibit at the Fair

After you have your rabbits in the pens, **YOU MUST CHECK IN AT THE OFFICE** verifying that your rabbits are here and your entry is correct.

It is your job to at least **daily** (twice a day if it is hot and/or dry) feed, water, and clean up your exhibit area.

This includes cleaning the boards under your cages, and raking under and in front of your cages.

Supplies are to be stored above your pens or in an empty pen next to your pen... The isle in front of your cages are to be kept clear and clean. Wash and clean water bowls daily, Trash picked up.

Rabbit Showmanship

at the Fair

By Advisor Heizman

I hope that everyone is practicing with a rabbit or two for showmanship. Showmanship is always an exciting time at the fair. Remember that the rabbit used must be accustomed to being handled for showmanship, and you and the rabbit have good "Table Manners". So do not wait until the last minute to prepare for your showmanship ability on Sunday of the fair. There is big prize money for the winners.

.....

Livestock Auction

On Tuesday September 2nd the auction for market animals will start at 9:00 am.

Remember at the Fair (for all 4-Her's and Parents)

By President Lamb

#1 A reminder that you are responsible for your rabbits at the fair. Make sure you feed, water, care, clean the pens, and check your rabbits daily. If you have any questions about the health of one of your rabbits ask your advisor, or the barn superintendent.

#2 Keep the area around your pens clean, neat, and tidy. Pick up papers and keep all of your storage containers stacked neatly. It is your display, keep it looking first class.

**Do not forget to get your photo
i.d. pass for admission to the fair.
You can get it a judging or the
extension office.**

There is a message board in the office area of the rabbit barn. Make sure you check it daily for schedules and what is going on.

If you are not sure of something check the fair book, ask your advisor, or one of the people working in the barn.

It is your job and responsibility to know!!!

Trophies & Awards

Trophies and awards will be presented at the end of each breed. If you would like to sponsor a trophy for 2026 please see Sara or Phil during the fair.

What to Sell

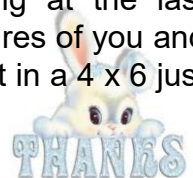

(Meat Pen, Roaster or Single Fryer)

You can choose to sell your meat pen, one roaster, or one single fryer in the livestock sale on Tuesday. You will need to declare which to sell **on Friday by the end of the show**. The Meat Pen Show, Roaster and the Single Fryer Show is a terminal sale. Those rabbits declared to sell will go the packer. All other market rabbits are your responsibility.

## **Thank You Notes**

Just a thought: get your thank you notes ready before the fair, so if you win a trophy or special award, you are not scrambling at the last minute. Also get a couple pictures of you and one of your animals printed out in a 4 x 6 just in case.

### Reminders: for during the Rabbit Show`

#1 for social distancing there is a big area around the rabbit barn for social distancing. Outside the barn you can put up your own tent for your own family area. *(like those 10 x 10 foot ones)*

#2 during the shows only the exhibitor, are to be at the show table. This is a Junior Fair Show. Parents can help at the pens but not at the show table..
