for the fair. **Members and parents** are to come
to this meeting ready to help set up. If you can,
bring plyers, gloves, rakes, shovels, wheel barrels,
etc. There is a job for everyone, and we can get
things finished in less than 2 hours if we all work
together. After the cleanup we will have a short
meeting about the fair.

When to bring your rabbits to the fair

The Rabbit Barn will be open for
check in on Tuesday August 31,

**Remember to check in at the rabbit office after
your rabbits are in place.**

Rabbit Cloverbuds

All cloverbuds must sign up to enter your one rabbit at
the county fair just like everyone else.

What to Bring to the Fair

- #1 You need to bring your rabbits
- #2 You need to bring your own
feed, in a good container.
- #3 Water at the fairgrounds is city water. A few
people bring water from home as to not change
things for your rabbits. Most people just use the
water at the fairgrounds.
- #4 You need to bring a water crock and a food
crock for each of your rabbits.
- #5 You need to bring your grooming/preparation
supplies and equipment.

Show Coats

P&R Medical Supply does carry coats in adult and youth sizes.
Also a long sleeve shirt works just as well as a show coat.

Your Exhibit at the Fair

After you have your rabbits in the pens, **YOU
MUST CHECK IN AT THE OFFICE** verifying
that your rabbits are here and your entry is
correct.

It is your job to at least **daily** (twice a day if it is
hot and/or dry) feed, water, and clean up your
exhibit area.

**This includes cleaning the boards under
your cages, and raking under and in
front of your cages.**

Supplies are to be stored above your pens. The
isle in front of your cages are to be kept clear and
clean. Wash and clean water bowls daily, Trash
picked up.

Rabbit Showmanship

at the Fair

By Advisor Heizman

I hope that everyone is practicing with a rabbit or two for showmanship. Showmanship is always an exciting time at the fair. Remember that the rabbit used must be accustomed to being handled for showmanship, and you and the rabbit have good "Table Manners". So do not wait until the last minute to prepare for your showmanship ability on Sunday of the fair.

.....

Remember at the Fair (for all 4-Her's and Parents)

By president Kyra Welch

#1 A reminder that you are responsible for your rabbits at the fair. Make sure you feed, water, care, clean the pens, and check your rabbits daily. If you have any questions about the health on one of your rabbits ask your advisor, or the barn superintendent.

#2 Keep the area around your pens clean, neat, and tidy. Pick up papers and keep all of your storage containers stacked neatly. It is your display, keep it looking first class.

Livestock Auction
On Tuesday September 7th the auction for market animals will be in person.

Parents and 4-Her's

There is a message board in the office area of the rabbit barn. Make sure you check it daily for schedules and what is going on.

If you are not sure of something check the fair book, ask your advisor, or one of the people working in the barn.

It is your job and responsibility to know!!!

Trophies & Awards

Trophies and awards will be presented at the end of each breed. If you would like to sponsor a trophy for 2022 please see Sara or Phil during the fair.

What to Sell

(Meat Pen, Roaster or Single Fryer)

You can choose to sell your meat pen, roaster, or your single fryer in the livestock sale on Tuesday. You will need to declare which to sell **on Friday by the end of the show**. The Meat Pen Show, Roaster and the Single Fryer Show is a terminal sale. Those rabbits declared to sell will go the packer. All other market rabbits are your responsibility.

Thank You Notes

Just a thought: get your thank you notes ready before the fair, so if you win a trophy or special award, you are not scrambling at the last minute. Also get a couple pictures of you and one of your animals printed out in a 4 x 6 just in case.

The fair will still look different this year

#1 for social distancing there is a big area around the rabbit barn for social distancing. Outside the barn you can put up your own tent for your own family area. *(like those 10 x 10 foot ones)*

#2 during the shows only the exhibitor, parents, and friends are permitted in the rabbit barn. When not showing you need to be outside the barn.

#3 there will be a system set up for social distance and cleaning between show groups. Be patient and pay attention.

4 your entry with ear numbers, breed, age, sex must be correct before the show. If incorrect during the show, the rabbit will be evaluated and graded, but outclassed for the top awards.

#5 listen to announcements and directions during the before and during the show for procedures.

#6 animals will be released on Monday at 6:00 pm.
